STATELINE ANGELS JOIN WISCONSIN ANGEL NETWORK

Dale Falconer, President of the Stateline Angels group announces that the Stateline Angels have joined the Wisconsin Angel Network.

“Becoming part of the Wisconsin Angel Network will provide the Stateline Angels increased access to early stage companies located in the Northern Illinois/Southern Wisconsin region that are seeking equity funding” commented Dale Falconer.

The Wisconsin Angel Network (WAN) was founded in January 2005 as an umbrella organization providing service and resource to the early-stage investing community. WAN is located in Madison WI.

Stateline angels was founded in 2004. Its members are a group of successful business executives in the greater Rockford area who have dedicated themselves to fostering growth in the Stateline area by assisting individuals to create successful businesses.
